

Getting a COVID-19 Test in Iowa

An at-home test kit program is provided to Iowans free of charge through [Test Iowa](#), a partnership between the Iowa Department of Public Health (IDPH) and State Hygienic Laboratory (SHL). Iowans can receive at-home saliva test kits via direct shipping to the requester's home or by picking up test kits at local pick-up sites.

Steps to Getting a Test Iowa Kit and Results:

<p>1</p> <p>GET A KIT</p> <p>Have an at-home test kit sent directly to your residence by submitting a request or picking up a test kit at a nearby pick-up site.</p> <p>REQUEST KIT</p> <p>or</p> <p>PICK UP A KIT</p>	<p>2</p> <p>ACTIVATE KIT</p> <p>Activate the test kit by providing your information and test kit ID. You will only receive your test result if your test kit has been activated.</p> <p>ACTIVATE KIT</p>	<p>3</p> <p>COLLECT SAMPLE</p> <p>Collect and package the sample by following instructions provided with the test kit or watching the instructions video.</p>	<p>4</p> <p>RETURN SAMPLE</p> <p>Return the sample at your nearest UPS drop-off location using a prepaid UPS label included with the test kit.</p> <p>Other drop-off options may be available.</p>	<p>5</p> <p>GET RESULTS</p> <p>You should receive your results by email within 24 hours from when the sample is received at the lab. You will also be able to access your results on the patient portal.</p>

Order an at-home test kit:

Currently, a person can only order an at-home test kit from testiowa.com from a computer, tablet or smartphone.

Pick-up a test kit:

A person can pick up a test kit for themselves or someone else at a [local pick-up site](#).

Who can register to be a pick-up site?

Only local public health, [federally qualified health centers](#), free clinics, colleges and universities, and K-12 schools are able to register as a pick-up site.
