Dear Director Miller:

I am pleased to inform you that the Iowa State Plan on Aging under the Older Americans Act for October 1, 2017 through September 30, 2021, has been approved.

The State Plan outlines a number of significant activities that will serve as a guide for Iowa's aging service network during the next four years. Of particular note is your commitment to increasing the capacity of the State's AAAs by broadening their consumer base by encouraging them to provide a range of entrepreneurial services. Your encouragement of new consumers and services and resources will further strengthen the Aging and Disability Network in Iowa.

The Chicago Regional Office staff of the U.S. Administration for Community Living looks forward to working with you and the Iowa Department on Aging in the implementation of the State Plan. If you have questions or concerns, please do not hesitate to contact Amy Wiatr-Rodriguez, Acting Regional Administrator, at 312-938-9857. I appreciate your dedication and commitment toward improving the lives of older persons in Iowa.

Sincerely,
