

Camille D.

About her family.

Camille is a mother of two, grandmother to five, great-grandmother to twelve, and a great-great grandmother to several.

Her favorite thing to do.

Camille worked her whole life. Most recently working as a foster grandmother through United Way at Perkins Elementary School and then at House of Mercy.

What is something that she enjoyed that most kids today would never dream of doing?

Camille and her siblings grew up in a home that today stands as a dentist office. She grew up with goats and made goats' milk ice cream every night in the summer. She remembers chipping the ice from the block that was delivered from the iceman.
