

Dorothy B.

About her family.

Dorothy married Chester and together they had one son (Robert). She now has two granddaughters and five great-grandchildren.

Her favorite things to do and secret to her longevity are...

She loves to play gold and cards. She says her secret to her longevity is living a "clean" life. This is how she made it to 100 - which she says is her biggest accomplishment!

Her favorite quote.

Help others.
