

Helen L.

About her family and her favorite things to do.

Helen grew up with six siblings she was the second born. She has been a watercolor artist for most of her life.

Her biggest accomplishment that she would like to share.

In August 2016 she was invited by the Hearst Center in Cedar Falls to have a personal exhibit of 60 of her watercolor paintings. She was honored at the open house for the exhibit.

Something that she enjoyed doing as a child that children today wouldn't dream of doing?

Years ago Helen joined other children while they followed the ice truck delivery man down the street - they were hoping to get a piece of ice to suck on!
