

# Herman S.

## What is their favorite quote?

- Anything worth doing is worth doing well.
- Who you choose to marry is one of the most important decisions of your life.
- Don't take life so seriously!

## What is the secret to their longevity?

Herman says that work is a blessing. He farmed until the age of 77 and at the age of 99 he was still planting, weeding and harvesting a large garden. Herman canned and froze many vegetables and fruits and baked enough zucchini bread so that he could eat it every day through the winter.

## What is their most amazing accomplishment?

Herman was able to acquire a large amount of farm land through his hard work and timely purchases. Herman was one of the first farmers to use chemical fertilizer on his crops in 1951! On this farm he raised five successful children who helped his family continue to grow. Today Herman has 9 grandchildren, 9 great-grandchildren and 2 great-great grandchildren.
