

Joy B.

About her family.

Joy was married to Robert and they were the editors and publishers of The Merville Record and The Pierson Progress. Both papers received numerous state and national awards of excellence. Today she has two children, five grandchildren, and seven great-grandchildren.

Her favorite things to do and her secret to her longevity are...

She enjoys reading the daily newspaper and staying up on current events. Her secret to her longevity is moderation - she says to enjoy the little things along the way.

What is something that she enjoyed doing while growing up that today's kids would never dream of doing?

She grew up on a farm where she milked cows, churned butter and grew all of their food. In the winter her father would take her to catch the school bus in a horse drawn sleigh to get to her one room country school house.
