TO: Iowa Department of Human Services
CC: Centers for Medicare and Medicaid Services
FROM: Cynthia Pederson, State Long-Term Care Ombudsman
SUBJECT: Managed Care Ombudsman Program Monthly Report for October 2019
DATE: Wednesday, January 8, 2020

The Office of the State Long-Term Care Ombudsman reports data from the Managed Care Ombudsman Program on a monthly basis. Attached is the October 2019 Report.

As was explained in the Year 4, Quarter 2 Quarterly Report a federally mandated change in the reporting system for the long-term care ombudsman program caused issues with the data collection and subsequent reporting for the Managed Care Ombudsman Program. That is why the report for October 2019 has not been able to be issued until now.

The Managed Care Ombudsman Program serves as the independent advocate for Medicaid managed care members receiving care in a health care facility as well as members enrolled in one of the seven home and community-based services (HCBS) waivers.

Cases and Complaints:

During the month of October 2019, the Managed Care Ombudsman Program received 95 new complaints from the managed care members we serve. The complaints resulted in new investigations and advocacy for 32 managed care members during the month of October. The top three complaints addressed in October 2019 were:

1. Access to Services/Benefits
2. Case Management
3. Services reduced, denied or terminated

Medicaid Programs:

Most of the complaints received from the managed care members were related to the Elderly Waiver, Intellectual Disability Waiver and Health and Disability Waiver.

Additional information can be found in the attached October 2019 Report. For further information, please contact the Managed Care Ombudsman Program, by phone at 866-236-1430 or email managedcareombudsman@iowa.gov.
