Maxine Brownfield

What is something that she enjoyed to do growing up that today's kids would never dream of doing?

Cooking on the old stoves at school, sledding in the winter, roller skating and playing on the family farm.

Maxine has three living children out of four. Her husband, Estelle, passed away in 1984. Maxine worked for the ASCS office and then Hayne Printing. She and Estelle traveled the US and Canada on their Gold Wing Honda well into their 60's. The family took many vacations to the west coast to visit relatives when the children were all still home. Maxine also went to Europe several times with her daughter.
