

Norma P.

Her favorite things to do.

Norma enjoys music and singing.

The secret to her longevity and her most amazing achievement.

She lived a life full of service to others. She loved children and served as administrator of a children's home with her husband for 20 years. Norma has traveled to 14 countries and all 50 states!

Something she did growing up that children today would never dream of doing.

Norma sewed her first dress at the age of 8. She also worked in the fields on the farm with her father.
