

# Robert W.

## His biggest accomplishment.

He says that he had the opportunity to travel a lot, mostly to Europe - with France being a favorite. He has even been to the Louvre twice!

## A fun fact!

Nobody else in his family has ever reached the age of 100. Not only did Robert reach that milestone but he has surpassed it by a few years.

## About his family and his favorite things to do.

Roberts parents were Edmund and Fern and he had one sister. He later married Bertha and together they had three children (John, Anne,, and Jane). Robert enjoys playing golf, boating, and eating ice cream - which he claims is the secret to his longevity.
