

Marian P.

About her family.

Marian has four daughters and son-in-laws. She also has 16 grandchildren.

Her favorite things to do and her secret to her longevity.

She enjoyed playing cards - especially Pinochle. Her secret is having good genes and living a healthy life. She said her friends kept her mind sharp by working in an office.

Her most amazing event and something she enjoyed doing as a child that today's children would never dream of doing.

Marian's biggest accomplishment was having her four daughters and she said that she enjoyed playing horseshoes growing up.
